RE: Membership Fees for 2011/12 season

Date: August 9, 2011

Judo Canada, with the support of Judo Alberta and other member provincial and territorial sport organizations, is committed to the development and leadership of Judo across Canada. In an effort to maintain existing levels of service and further enhance offerings to the membership, there will be an increase in the fees charged by Judo Canada for the 2011/12 season. Membership fees collected by Judo Alberta will increase for the season starting on September 1, 2011 and ending August 31, 2012. This is the first increase of three over the next six years.

This increase of fees by Judo Canada is in support of the following two goals:

- 1) Allow Judo Canada to be less dependent on partners' funding.
- 2) Allow Judo Canada to develop/work on programs not funded by its partners.

Table 1 provides the new fee structure that will be in effect for the registration of all members in Alberta beginning September 1, 2011.

This increase in fees will further the development programs and opportunities of athletes, coaches, and officials across Canada, as well as enhance the level of service that the Judo Canada office will be able to provide to their members. If you require further clarification, or if you have questions about this fee increase, please contact the Judo Alberta office at (780) 427-8379.
