Becoming a Coach or Becoming a Better Coach ...

By learning how to become a coach, you can provide a positive experience for others and for yourself. Coaches represent many different roles to many different people. Coaches are viewed as teachers, mentors, role models, friends, and as leaders in the community. Coaches contribute to the community, have an enormous effect on the development of our youth, and participate in a great learning experience.

You may select from a range of coaching pathways in your journey to **become a certified coach**. Various coach training streams and contexts are a part of the new NCCP structure to better meet the participant's needs.

COACH AND OFFICIAL INITIATIVES

The Coach and Official Initiatives provides opportunities to further coaching and officiating development in Alberta. These initiatives parallel the priorities identified in both the Alberta Sport Plan and the Federal-Provincial/Territorial Priorities for Collaborative Action that was developed as part of the Canadian Sport Policy. The coaching and officiating initiatives are:

ABOVE AND BEYOND

The **Above and Beyond** grant provides support to coaches and officials to pursue coach education or development opportunities. Specifically, this is intended for coaches and officials that are in a unique situation (apprenticing, geographically isolated, disadvantaged) and that are experiencing extraordinary circumstances.

VISITATION

The **Visitation** grant provides support to Provincial Associations and their clubs to offset travel and accommodation costs to host an out of province or out of country coach or official.

Application deadlines for the above two grants are
May 15 and October 15

ALBERTA COACH EDUCATION VOUCHER

The Alberta Coach Education Voucher opportunity is offered through the partnership with the ASRPWF and the Alberta Schools' Athletic Association. The focus is to support and encourage high school teacher/coaches and physical educators to pursue NCCP certification by providing them with a voucher to be used towards an NCCP course.

Please contact ASAA for more details at www.asaa.ca/pages/news
