

## **Selection Criteria and Guidelines for Western Canada Summer Games**

### **Purpose**

This policy will be used to select a Provincial Team to attend the Western Canada Summer Games for Team Alberta.

### **Policy:**

#### **I. Point System**

1. The provincial team list is based on points accumulated from two selection tournaments as per the category and weight divisions outlined in the WCSG technical package.
2. The selection tournaments for the Games will be the Judo Alberta Provincials and the Rocky Mountain International tournaments that are hosted in the first 4 months of 2015.
3. These tournaments will run Games age and weight divisions closed to Alberta athletes only.
4. Points will be awarded for each selection tournament division as follows:
  - 1<sup>st</sup> - 10 pts
  - 2<sup>nd</sup> - 5 pts
  - 3<sup>rd</sup> - 3 pts
5. If an athlete changes weight classes from one event to the next, only one half of points accrued from the first event will be carried forward.
6. Points from the two selection tournaments will be added.
7. The athletes with the most points per division will be selected to the team.
8. If there is a tie between two athletes in selection points after the final selection tournament, a best-of-3 fight-off will be held the day after the final selection tournament using the Western Canada Summer Games technical package rules with the exception of the athletes not needing to make weight for the fight-off. If a competitor cannot make the fight-off, they will be disqualified and the spot will go to the other athlete.
