

GRADING COMMITTEE POLICY

PURPOSE:

To provide guidelines to all candidates who will be examined by the Provincial Grading Committee for all dan ranks that they are entitled to examine. It is also the intent to encourage more kata participation at tournaments and clinics and to raise the general knowledge of this aspect of Judo.

POLICY:

1. Kata requirements for dan grading will not be performed on the actual grading day except:

- when there was no opportunity to perform the kata at a tournament or kata clinic, even as a demonstration, or
- when a request by the participant is received and reasons for the exception are accepted by the Grading Committee prior to the examination date.

2. All candidates must attend at least one recognized kata clinic within one calendar year prior to the examination dates unless a clinic is not provided for by Judo Alberta.
