## **Team Alberta Selection policy and funding criteria for National Championships 2015**

**(Minimum requirements and points can be accumulated between  
September 1<sup>st</sup> 2014 and March 28<sup>th</sup>, 2015 (Rocky Mountain tournament)

### **Purpose:**

These criteria are in place because the Judo Alberta Coaching Committee wants to be sure that every member of Judo Alberta has the opportunity to participate on the provincial team, as long as they achieve the minimum requirements. The requirements are designed to ensure the athletes can compete at this level of competition without injury. The Coaching Committee wants to be sure that Judo Alberta allocated funding is being used for serious athletes at their respective age level, using the LTAD program for competition.

### **I. Points System:**

Points are counted over a one season period. Points are zeroed after the selection of the provincial team for the Nationals. (With exemption to receiving points from National championships the season prior).

U18 division	Participation in Provincial championships plus 1 points tournament and 2 provincial training camps

requirements by the last provincial selection tournament (Rocky Mountain Invitational) to be selected for the provincial team.

**Athletes training at National training center in Montreal:**

Any athlete training at the NTC under the national coaches will automatically awarded **10 points** for funding, since they will be unable to participate in local tournaments and training camps (subject to NTC coach report prior to the National Championships). These athletes must also keep in contact with either, their club coach, who reports to the provincial coaching staff, or the provincial coaching staff directly about participation in tournaments locally for them. They must also apply for the provincial team directly to the coaching staff with their training plan, tournament results, and training camps for the year.

The provincial coaching staff will also check in with the NTC coaches to confirm athletes training plans prior to funding.

**Athletes training out of province other than NTC:**

The athletes that are not training in Alberta due to school, work, etc... must apply to the coaching staff directly for provincial team selection with their training plan, tournament results, and training camps participated in. Funding will be determined on an individual basis, depending on where and how involved the athlete has been in judo while out of the province.

**Funding:**

**U16 athletes:**

- These athletes will receive equal amounts of the funding that is allocated to this age group.

**U18/U21/Senior/Veterans:**

- To receive funding these athletes must have a minimum of 12 points from the year leading up to nationals. If an athlete has less than 12 points but meets minimum requirements for national championships they can go as self-funded athletes only.

  - c) The bottom 30% ranked athletes will receive 15% of the budgeted money for the event.
  
- If a funded athlete fails to make weight, the athlete will be invoiced for the Judo Alberta funded amount plus any Judo Canada fines.

**Injury/ Sickness:**

- If an athlete cannot participate in the Provincial Championships due to sickness or injury, the Provincial Coaching staff must receive a doctor's note within 7 days of the competition explaining why.
- Athletes that do not comply will not meet minimum requirements and will not be selected for the provincial team.

**Work for senior athletes:**

**Out of Province/ NTC athletes:**

- Are exempt from the Provincial championship qualification as long as they are participating in competitions out side of the province. This is based on individual athletes and the athletes must be in direct contact with provincial coaching staff during their time out of province.

**Athletes asked to participate at an International competition:**
