

## 2019 Canada Winter Games Judo Technical Package

Technical Packages are a critical part of the Canada Games. They guide the selection of athletes by prescribing the age and eligibility requirements, assist the organizing committees by detailing tournament formats and scoring procedures, assist Chefs de Mission in verifying eligibility, help with budgeting by describing the number of participants permitted, advance coaching certification by stating minimum requirements and generally contribute to athlete development by identifying each National Sport Organization's (NSO) version of athletes in the "training to compete" phase of its Long Term Athlete Development Model (LTAD), or other suitable phase of the model as justified by the NSO, discussed with the LTAD expert group, and approved by the Canada Games Council (CGC) Sport Committee.

Every Games' coach, manager, Sport Chairperson and Mission staff has an obligation to read and understand every aspect of the Technical Package. Failure to do so could cost an athlete his or her eligibility for the Games or could affect final standings or the conduct of the competition. If someone does not understand an aspect of a Technical Package, he or she is to seek clarification from the CGC Sport Committee through his or her Chef de Mission or NSO.

Technical Packages are developed 36 to 24 months prior to Games primarily by NSOs, following principles outlined in this document, guidelines and requirements of the CGC. As the overall governing body of the Games, the CGC has the ultimate authority over Technical Packages, but this authority is exercised only with the knowledge and understanding of the concerned NSO. Generally, Technical Packages are developed by sport, but in certain cases may be developed by discipline.

If an individual wishes to seek clarification or initiate a change to a Technical Package leading up to a Games, the request should be first directed to the NSO or the Chef de Mission. The NSO or Chef de Mission will evaluate the merits of the request and will, if it has merit, submit the requested change or clarification to the CGC's Sport Division for consideration. The NSO or Chef de Mission will submit the rationale for the request. Changes to age groups, eligibility requirements, team sizes or staff complements will not be considered after 36 months prior to the Games. Additions or changes to events/competition formats that result in a significant cost increase to the Host Society will not be considered after 24 months before the Games, unless approved by the CGC and the Host Society. Substantive changes to events or competition formats will not be considered after 18 months before the Games, unless approved by all participating Provincial/Territorial associations and the CGC. Minor corrections will be considered at almost any time, but will be increasingly difficult to achieve within six months of the Games. These time frames reinforce the importance of complete understanding of the Technical Package by Games' participants early.

## **Format**

The 2019 Canada Games Judo competition will feature both an individual competition and a team - dual meet format.

### **Individual Competition**

In the individual competition, maximum of 56 medals will be awarded for medal winners in 14 weight classes (1st, 2nd, 3rd and 3rd).

- Individual competition will take place on the first two days of the judo tournament.

Day one:	Females -44; -48; -52	Males -50; -55; -60; -66
Day two:	Females -57; -63; -70; +70	Males -73; -81; +81

Double elimination system of competition will be used for weight categories of 8 and more athletes, 2 pool systems for weight categories with 6 and 7 entries and a round robin system in weight categories with 5 or less entries.

No seeding will be applied.

***NOTE:** In a pool tournament format, when an athlete is withdrawn (direct Hansoku-make) from the tournament, the future opponent(s) receive points for fusen gachi.*

### **Team - Dual Meet Competition Format**

The team competition will feature teams composed of 5 weight classes.

Male: -55; -60; -66; -81; +81  
Female: -44; -48; -52; -63; +63

The IJF Team Competition guideline will be followed.

A Provincial/Territorial Team must have at least 3 judoka to enter the team tournament. Each competitor is entitled to fight in his/her own weight category or in the next higher category

In the team competition 4 medals will be awarded for 1<sup>st</sup>, 2<sup>nd</sup>, and two third (up to 28 individual medals per gender) for each member of the team placing 1<sup>st</sup> through 3<sup>rd</sup> (athletes of the Provincial/Territorial Team who are not competing in the team tournament but are substitutes in their respective teams, will also receive medals).

Men and women will compete as separate teams.

The team tournament will be conducted on the 4<sup>th</sup> day of the judo event, after a day of rest that will follow the individual tournament.

A repechage system of competition will be used with the teams losing to the eventual finalists will compete for bronze medals.

Based on the results of Provincial/Territorial athletes in the 2019 Winter Games *Individual* competition, Provincial/Territorial *teams* will be ranked. Rankings are based on a 6, 4, 3, 3, 1, 1 point system for 1st, 2nd, 3rd, 3rd, 5th, and 5th respectively in the individual competition.

As per IJF standards Teams ranked #1 & 4 will be seeded in pool A as A1 and A2 respectively, and teams ranked #2 & 3 will be seeded in pool B as B1 and B2 respectively.

The other of the participating teams will be assigned to pool A or B by a random draw.

In case of a tie in the ranking points the following steps will be used in consecutive order to break the tie and determine seed position:

- Number of individual gold medals won
- Number of individual silver medals won
- Number of individual bronze medals won
- Number of individual wins within the teams tied
- Number of individual wins by ippon within the teams tied
- Number of individual wins by wazari ....
- Etc.

Only teams that have a theoretical chance to win a dual meet will be allowed into the team dual meet competition (i.e. male or female teams must have a minimum of *three* competitors).

A team match for a true 3<sup>rd</sup> place (bronze medal) will be held.

All contested bouts must be decided. If at the end of the regulation time the score is tie, the bout continues as per the Golden Score regulation.

For each individual win within a dual meet contest, the winner receives one point. Judo specific points for a quality win (as per IJF regulations) are recorded. For a win by Fusen Gachi one point and 10 judo specific points are awarded.

After all the bouts in the dual meet contest are concluded, the team that accumulated the higher number of points wins.

#### TEAM EVENT POINTS

Teams that participated in the tournament but did not place in the top 4 will receive equal points for placing 5th through 8th providing that each placing was accomplished with a won dual meet. I.e. two of the teams placing in top 8 earned their standing with a win in a preliminary round, while the other two placed in the top 8 without winning a dual meet; in such case the two teams will share points for places 5th and 6th, while the other two will share points for 7th and 8th. Teams placing in

positions 9 to 12 will share points according to the same process as described above for teams placing 5 through 8.

In case teams are not able to compete in the team-dual meet competition, due to inadequate number of athletes, such teams will receive points for last place. In case more than one team cannot compete, points for placing 11th-13th will be added together and shared equally between the tied teams. ETC.

Points will be awarded on the following basis:

**1 point** for a win (in case when a round robin system or pool system is used in individual competition and in case of the dual meet by team);

Specific points as per IJF regulations:

- 10 points for IPPON (or equivalent – fusen-gachi; kiken-gachi )
- 7 points for WAZA-ARI (or equivalent)
- 1 point for YUSEI GACHI (win by penalty is recorded a 1 point)
- 0 for the loser and for hikiwake in the team competition

I.e. win by ippon recorded as 1/10; wazari recorded as: 1/7; by less than Wazari: 1/1 etc.

1. The tournament director will decide whether the competition schedule allows conducting this competition for the third time (i.e. minimum time required in pool of 3 competitors is 45 minutes).
2. In case the tie persists after the second round (or third if such was conducted), the total time of bouts won in the competition, by each of the participant, will be added. The judoka with the shortest total time will be place first; the judoka with the second shortest time will place second; etc.
3. In case the tie persists after the step (2), the weight of the competitors recorded during the official weigh-in will determine their placing. The lightest will place first, second lightest second; etc.
4. In case the tie persists, the Technical Committee designate will make a decision on further action.

## 8.2. Dual Meets – Team Competition

In a case of a tie (which in this case may happen only if both competing teams have vacant the same weight division(s)), one bout will be repeated and decide on the outcome of the dual meet.
