Grand Championships

This event is held only at the Provincial Championships. For men, the Grand Championship is for Ikkyu and Yudansha only. For women, the Grand Championship is for ranks of gokyu and up. Each contestant in the Grand Championship must be 18 years of age or older. If the winner of a particular weight division is under the age of 18 years, there will be no contestant in that weight division.

Some concern has been expressed over the safety factor in having individuals competing against each other whose weights vary widely. The Technical Committee is also aware that for at least 85 years of its 130-year history, judo was without weight divisions. To preserve the traditions and to take into account the safety of the contestants, the Committee has adopted a procedure whereby men in the -60, -66 and -73 weights compete as a group; the -81, -90, -100 and +100 men compete as a group. Then, the two group winners compete for the title of "Grand Champion". The matches are to be straight elimination.

Where a female Grand Championship is to be held, the winners of the -48, -52 and -57 kg categories will fight as a group; the winners of the -63, -70, -78, and +78 kg categories will fight as a group. The two group winners will then fight for the title of "Grand Champion". The matches are to be straight elimination.
