

GUIDELINES FOR JUDO ALBERTA LIFE MEMBERSHIP

A provision for Life Membership has been in the Classes of Membership defined in the Associations By-Laws since the early 1970's. Individuals voted as a Life Member are granted the same privileges and regular members, but they are not required to pay any Judo Alberta or Judo Canada membership fees. The designation "Life Member" is intended to be exclusive and to be awarded only to deserving Regular or Associate members.

To assist in making nominations, the following Guidelines are established:

1. As a Provincial award, it is granted for an important contribution to Judo in Alberta;
2. When making nominations, nominators should consider that the candidate will have a minimum of 25 years as a regular member of Judo Alberta, and
 - a) Has served on the Provincial Executive or Provincial committees, or
 - b) Has brought recognition to Alberta as an international or national competitor, coach, referee or administrator, or
 - c) Has an exceptional record as a coach, referee, administrator or as an international or national competitor.
3. A maximum of 2 persons will be granted the award in any calendar year;
4. Nominations are to be forwarded to the Awards Committee Chair at the Judo Alberta Office by August 31. The nomination must be accompanied by a full and complete statement of the nominee's record and achievements and her/his contribution to Judo. This information is necessary for the Committee to make a reasoned decision on acceptance of a nomination;
5. The Awards Committee will review the nominations to be sure they meet the above criteria and recommend to the Executive Committee for perusal.
6. Final approval is to be made by the Regular Members at the next Annual General meeting following the nomination. ***The nomination and accompanying record of the nominee shall be provided in advance of the meeting.***
